The next meeting of the club will be with Mrs. W. D. Cooper Wednesday afternoon, February 3.

Capt. John W. Morton of Nashville, the retiring Secretary of State, has presented neat pins to the members of the local chapter U. D. C. The chapter is named for Captain Morton, and the pins were sent as a small token of his appreciation of the honor thus conferred. The genial hero of many hard fought battles doubtless realized that a bit of handsome jewelry can safely be relied upon to please the womanly heart. All the ladies who have seen them are delighted with the pins, and those who have not can get them of the treasurer, Mrs. J. H. Whitfield.

### SAFETY

This you have in depositing in the First National Bank, which gives double the amount of security of any bank in the county. If you have idle funds, get a certificate of deposit which draws interest.

All the assets of the First National Bank are examined twice a year by a Government officer.

### GOOD COMPANY FOR 1909.

You are careful what choice of friends the young people of your household make. You do not open wide the door to those whose speech and behavior betray ill-breeding and lax morals. Are you as careful to shut it against books and periodicals that present vulgar and demoralizing pictures of life and its purpose? Perhaps you are among those who have found that the Youth's Companion occupies the same place in the family reading that the high-minded young man or woman holds among your associates. The Companion is good without being "goody-goody." It is entertaining, it is informing. In its stories it depicts life truly, but it chooses those phases of life in which duty, honor, loyalty are the guiding motives.

A full description of the current volume will be sent with sample copies of the paper to any address on request. The new subscriber who at once sends \$1.75 for a year's subscription will receive free the Youth's Companion's new calendar for 1909, "In Grandmother's Garden," lithographed in 13 colors.
